Mr. Huennekens,

It is our honor to congratulate United States Alliance Fire Protection, Inc. to be the first to be awarded Residential Fire Sprinkler Contractor Accreditation from the Center for Public Safety Excellence. This is a direct reflection of your company's commitment to quality, excellence in fire safety and your belief that residential fire sprinklers do save lives. The Countryside Fire Protection District has experienced this first hand on many jobs we have interacted with your company in the District.

As the first fire protection district in the U. S. to receive agency accreditation in 1998, Countryside realizes the magnitude of this achievement that sets your company leaps and bounds from rest.

On behalf of the District and the community we serve, please extend my regards to the entire team of professionals at USAFP for a job well done and best wishes for your continued success.

Warmest Regards,

A handwritten signature in black ink that reads "Jeff Steingart".
